

Action taken on AAA Report

Sl.No	Suggestions in AAA Report	Action Taken
1	Academic autonomy to University PG Departments, different from affiliated Colleges to facilitate cutting-edge syllabi	Updation of Syllabus with additional Softcore courses in cutting-edge areas utilising expertise of University faculty has been framed, though departments are yet to opt for academic autonomy vis-a-vis the colleges.
2	Avoid proliferation of courses if there is no demand in the concerned area.	Action initiated to curtail such courses
3	Shortage of regular faculty	Action initiated for obtaining Governmental sanction of recruitment to vacant posts.
4	Taking over Government Colleges	Government has been apprised of the situation
5	Appointment of Regular Finance Officer	Requests have been repeatedly made for posting of a Government official of appropriate ranking.
6	Training to middle-level staff downwards	A week long initiative was undertaken in February 2020 in this regard.
7	Periodical review of different administrative units	Action initiated
8	Economising expenditure and generation of surplus especially in Evaluation unit	Appropriate Streamlining measures have been planned and are being implemented.
9	Need to fully utilise sophisticated equipment in CARER, CARRT, PURSE and so on.	Services are offered to and availed by, interested researchers/industries on all-India and also International basis, by paying a small fee.
10	Implementation of e-governance	Examination wing has been fully computerized (end-to end). Registrar's Office and Finance Office too have been computerized for most part.
11	Excellent Online feedback on curriculum and faculty performance needs to be shared with stakeholders.	The feedback has been shared with the teachers so that corrective actions/strategies can be evolved.
12	Need to avoid duplication of programmes across campuses.	As the Government is keen on opening more programmes in Kodagu district, this has been difficult to adopt.
13	Avoid proliferation of Centres/Chairs.	Attempts to consolidate the Centre/Chair activities are being considered.
14	Strengthen student support services in acquisition of soft skills, leadership, career guidance and campus placements.	Incubation centre for start-ups, setting up of Centralized Language Labs, and Soft Skill courses have been initiated.

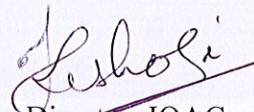

Registrar

15	Prepare inventory of the rich flora and fauna on campus	A count of Asian (bird) species has been done as also a count of plant species on campus.
16	Green Audit to be conducted periodically	Green Audit has been done. Obtained 2 nd place nationally in the Greenmetrics Ranking.
17	Shift UG College Campus elsewhere	Being actively considered.
18	Merge some Central facilities to minimize manpower costs	Being actively considered.
19	Revamp Employment and Guidance Bureau	Career skills development is being emphasized as also provision for counselling has been made.
20	Encourage inter-disciplinary programmes by harmonising disciplines.	Action has been initiated.
