Proceedings of the NAAC Steering Committee meeting held on 27/01/2020 at Syndicate Hall at 11.00 am.

The meeting began with the Vice Chancellor welcoming the members. The following matters were taken up

1. As it has been decided to drop B.P.Ed due to lack of communication from NCTE, from the list of programs offered, it was decided that the website should reflect the same.
2. Similarly, re-structuring of the website is to be done so that programs like Geography or Medical Physics are **not** shown as separate departments as done hitherto.
3. Copies of 7 MOUs to be sent to IQAC office along with a list to be signed by the Registrar. Link to be created for the same.
4. The draft executive summary and all the criteria formats were tabled. A detailed presentation and discussion of the executive summary followed.
5. It was now decided to use the actual figure of permanent teachers and not include guest faculty as full time faculty, as their inclusion would affect many metrics unfavourably.
6. The meeting was adjourned at 2pm for lunch and the discussion about the SWOC analysis in the summary as also future plans was deferred.
