## **DEPARTMENT OF SOCIAL WORK**

### **U.G Programme Specific outcomes**

#### **Programme outcomes:**

The programme outcomes are based on the social issues and concerns based on the overwhelming cultural and social realities in the real life work settings. Based on this premise pivotal importance is given to fieldwork practicum which accounts for about 40% of the time, which is earmarked for it. Social Work practices are based on liberalism, freedom, rule of law, human rights, and gender and child rights. This complex mechanism is used in contrast of social work practice in the field.

#### **Course Outcomes:**

The course outcomes are based on the methods of social work which is designated as hard core courses which builds the framework of Social Work practices. The students are required to have the ability to demonstrate advanced knowledge and field on the synergies of each Social Work methods to develop in them core social work competencies.

The students are enhanced in the field of professional Social Work by attaining the skills and competencies which are achieved through concurrent fieldwork practicum and practice based learning. The learning process which involves group discussions, individual presentation, street play, and theme based mime shows, participatory rural appraisal task, team building activities, case study presentation, field work conferences, management games, group development activities and so on. Students are encouraged to organize need based programme independently and with collaboration of other reputed institutions and hospitals at their field work placement region which will in turn make them self-reliant and confident to face the challenges in their near future. Students are also motivated to develop sense of dedication and commitment towards rendering their professional help for the poor, underprivileged and disadvantaged sections of the society.

## **Objectives of the Course:**

1. To impart education and training in Professional Social work to those desirous of making a career in the field of Social work.
2. To provide inter-disciplinary collaboration for better understanding of human problems, services and issues related to human development.
3. To provide opportunities through intensive field practicum to work with variety of people in their development and provide service to those who are in need.

To promote among students a sense of dedication and commitment for appropriate service to the cause of the poor, under privileged and disadvantaged sections of the society.
