FOREWORD

I am happy to present the Annual Report of our University for the year 2018-19. Over 39 years, Mangalore University has grown in stature and is recognized as one of the premier Universities in the country.

Our University has been known for its commitment to teaching, research, conducting academic programmes and examinations as per schedule. We have the Credit Based Semester System at the undergraduate and the Choice Based Credit System at the postgraduate level. The admission of Research Scholars and foreign students for Ph.D. and P.G. programmes on the campus has increased considerably due to several academic and administrative initiatives taken in recent years.

Our teaching faculty have rendered themselves creditably in their teaching and research activities. H-index of the University which was 32 in the year 2013, has reached 64 that clearly shows research progress in the University. The research programmes are strengthened through the Research and Consultancy Promotion Cell. All the teachers and SC/ST research scholars are provided with laptop. The University has introduced several welfare programmes for SC/ST students under SCP-TSP grants sanctioned by the Government. For the first time the University has appointed leading academicians from India and abroad as Adjunct Professors to teach our students.

The basic facilities available on the campus include Administrative building, Faculty Buildings, Library, Students Hostels, Staff Quarters, Guest Houses, Mangala Auditorium, well-equipped outpatient health centre, sports facilities like gymnasium, indoor stadium and play grounds with 400 mtr. track. The University has its own water supply arrangement on the campus. Other facilities like Banking with four ATMs, Cyber Café, Inflibnet and Postal services are available on the campus. CCTV surveillance systems are installed on the campus and in our constituent colleges. The street lights on the campus are being solarised.

Mangalore University has WiFi connectivity on the campus. The university has developed a new web portal with information kiosks and displays. The Library has access to 25+ data bases from the UGC Infonet. Anti-plagiarism software through Shodh Ganga Project has been introduced.

The University has advanced science research facilities, viz., Microtron Centre, Centre for Application of Radioisotopes and Radiation Technology (CARRT), Promotion of University Research and Scientific Excellence (PURSE), Centre for Advanced Research in Environment Radio Activity (CARER), OASTC, etc.

The University maintains a close liaison with the public of the coastal region and Kodagu through various outreach programmes including University-Industry interaction, extension activities through Prasaranga, NSS and various Endowment Chairs and Study Centres.

The University provides scholarships for meritorious students. There are other endowment scholarships also for the meritorious but poor students. Mangalore University has contributed in developing sports in the state through the affiliated colleges. At the Inter-University level, we have produced more than 100 internationals who have brought laurels to the country by winning medals at different levels. The University has introduced sports scholarships to talented sports persons. Incentives to Inter-University new record creators and incentives to All-India Inter-University medalists are given every year.

We have taken all efforts to develop the P.G. Centre at Chikka Aluvara, Kushalnagara. We have established the First Grade College at Mangalagangothri to cater to the higher educational needs of the local people and also started the Evening College at University College, Mangaluru to help the poor students to continue their studies while working at day time. Our constituent colleges such as University College, Mangaluru and Field Marshal K.M. Cariappa College, Madikeri are recognized by the U.G.C. as College with Potential for Excellence (CPE) for five years. University College, Mangaluru has been considered under the scheme of Special Heritage status and received a special grant of Rs.183.00 lakhs from the UGC for restoration of Ravindra Kala Bhavana.

The University provides a safe and peaceful environment that is conducive to learning with the active support of students, faculty, administrative staff, and the various authorities.

Prof. P. Subrahmanya Yadapadithaya
Vice Chancellor

2. University Authorities:

- a. *Strengths, Weaknesses, Opportunities and Challenges (SWOC) analyses made and action taken:*

Strengths:

- The University is accredited with 'A' Grade by NAAC.
- Excellent research facilities developed through funding from, DST – PURSE, DST-FIST, UGC-SAP, DAE – BRNS, BRIT, DOD, etc.,
- Exposure of faculties to international laboratories/research centres through various International fellowships and MOU's
- Well developed, spacious library with ICT, e-resources facilities. Computer Centre with mail, web and application servers.
- Sports facilities like gymnasium, indoor stadium, play grounds, outdoor stadium with 400 metres track are available. Facilities are also available for other extra- curricular activities.
- Directorate of correspondence to provide higher educational facilities for the needy people.
- Training of SC/ST/OBC students for competitive examinations, such as UGC/ CSIR/ IAS/ IPS/ICAS, etc.
- Prasaranga, study centres and peetas are engaged in spreading the knowledge to the society and researching on the issues/ problems related to women, weaker sections of the society, etc.
- Extension of consultancy services.
- Promptness in administrative procedures.

Weaknesses:

- Limited academic and physical infrastructure and human resources.
- University is situated in a rural area.
- Limited funds for cutting edge research.
- Less of inter-disciplinary/multi-disciplinary approaches.
- Inadequacy of Infrastructural facilities to introduce ambitious academic programs.

Opportunities:

- The University has already initiated industry interactions for the academic programs and placements which will be helpful in developing the partnership with industries.
- Syllabi of many courses are framed in consultation with industries which provide job opportunities to our students.
- University has a few National facilities for research which can be extended to other institutions and Universities in order to generate funds to the University.
- Various collaborative research programs, Faculty exchange programs with foreign Universities will be helpful in facilitating high end research activities. This makes provision for sharing of intellectual properties.
- Exploitation of research potentials to generate revenues in the form of strategic consultancy.
- Increase the access by strengthening distance education programme and adoption of information and communication technologies more effectively.
- The location of the University in the foot hills of the Western Ghats and Coastal Region will be a great opportunity to research on Biodiversity and Conservation.
- The scope for extending the consultancy services.
- Faculty exposure to international laboratories/institutions will be useful to take up high end research and teaching.
- Enhancement of equity initiatives

Challenges:

- Increased competition, due to establishment of private and public Universities around the Campus.
- Limited financial support from State Government.
- Increased privatization of higher education.
- Inadequate amenities for marginalized section to increase the enrolment.
- Entry of foreign universities to higher education.

b. Short term and long term perspective plans- administrative measures taken, Training to the non-teaching staff:

- To increase the ability of the University to realize the potentiality to compete with institutions of excellence at the global level.
- To enhance the quality of teaching-learning process.

- To increase the access to higher education for the socio-economically backward, SC/ST/OBC community people.
 - To increase the enrolment ratio in the University.
 - To promote, acquire and access a cutting edge technical know-how/skills for the improvement of research ability of the scholars in the University.
 - To enhance the employability of the students through value added education.
 - To expand existing and to create additional Physical, Academic and Research infrastructure to increase the enrolment.
 - To enhance the consultancy activities to generate revenues.
- c. Administrative and academic reforms ushered in – based on NAAC Peer Team recommendations and Administrative and Academic Audit (AAA) Committee reports (copies of recommendations/reports may be annexed):

The NAAC committee report and AAA reports

- Efforts are being made in order to provide academic autonomy and the faculty members are encouraged to participate actively in academic activities such as conference organization, participation and also to execute R&D projects of national importance.
- University is making prompt efforts for appointing qualified faculty where there is acute shortage. Eminent scholars working in industry/abroad/institutes of national importance are given an invitation to work as Adjunct Professor and thereby creating a conducive environment for academic growth of student community
- The teaching and non-teaching staff were given training on IT related concepts so that it is useful to adopt e-governance in the university administration.
- Efforts are being made to reduce the surplus generation of materials.
- The research policy is developed to address the issues related to utilization of equipment available in central facilities
- Adoption of e-governance in the administration is taking up swiftly.
- Chairs are made active by providing financial support from the university to organize events and as well as to carry out research works.
- Efforts are being to have green audit and university has got 3rd place at all India level during 2018-19 and 2nd place during 2019-20.
- The incubation center is established with the support of IBM, Bangalore and efforts are being made to provide knowledge in the recent fields such as Internet of Things, Artificial Intelligence, Machine Learning, Business Intelligence etc.

d. Administrative measures for networking and development of PG centers/additional campuses, on par with main campus:

- Jnana Kaveri Post Graduate Centre of Mangalore University is situated in Chikka Aluvara, Somwarpet taluk, Kodagu district. The Director-incharge is appointed to liaison with the main campus.
- In January 2014, MSc Biochemistry and MSc Microbiology were shifted from FMKMC College, Madikeri, Kodagu to Chikka Aluvara.
- In August 2014, MCom and MSW courses commenced with the admission of 30 and 12 students respectively.
- In August 2015, MA Kannada, MA History, MA Political Science courses were started with 13, 10 and 12 students respectively.
- In August 2017, MSc Botany, MSc Chemistry and MSc Computer Science courses were started with 07, 16 and 05 students respectively.
- MSc in Environmental Science and MA in Mass Communication & Journalism courses have been approved by the University.
- Altogether there are 12 approved courses at Jnana Kaveri PG Centre.
- Video conferencing facility has been created in order to have day to day interaction and surveillance system is developed to monitor the activities
- Syndicate meetings are being conducted at Jnana Kaveri campus occasionally

e. Promotion of impact driven and socially relevant research (Ph.D. topics, projects proposed to funding agencies, research publications, inter-disciplinary research and extension) activities:

Under different faculties, our university has focused on the following research areas which are socially relevant to the Mangalore University region and also to promote interdisciplinary research works. The research works envisage to carry out research of international standard on some of the frontier areas mentioned below considering the geographical and social needs in the interest of the region in particular, and state and nation at large. The following aspects will cover the core areas of research.

This includes –

- **Thriving Marine economy and ecosystem:** The coastal region in which the University is located hosts the state's only major port and has a thriving marine economy, and marine resources constitute major chunk of region's revenue and employment base. Considering the significance of sea to the region Mangalore University has long back established the department of Marine geology, adding now the departments of geography and geo-informatics. Coastal regulation act, Erosion of the coast and its impact, pollution at sea and coast, quality and related issues of water flow into the sea are just some of the areas of research in the University that now could be based for global knowledge linkages.
- **Indian Ocean Studies:** Being in the southern tip of India, Mangalore University is ideally located for Indian Ocean Studies. Indian Ocean has increasingly acquired commercial and security significance and in the background of increased foreign power's presence in the region this study has become important. Increased piracy, large cargo and oil movements, pollution related issues, cooperative structures among Indian Ocean Rim countries, Sagar Kavacha initiatives of Indian government, instability and turmoil in the Island countries of Indian ocean and military bases of foreign powers have made Indian ocean an extremely important area and has drawn the global attention. Mangalore university wishes to be a centre for such global studies on Indian Ocean with due emphasis on coastal security.
- **Local culture, folklore and expressive forms:** The region has a healthy mix of all religions. People speak different languages and the prominent ones are Tulu, Konkani and Byari besides Kannada and its variants (Arekannada, Kundapura Kannada etc). Tulu spoken and understood by majority is supposed to one of the oldest Dravidian language with rich cultural heritage. The local culture, folklore and expressive forms such as Yakshagana, Kambla, Nagaradhane, Bhootaradhane, Padhana etc make the region distinct and University a center for the study of these distinctive culture. Aware of the distinctive features University too has started a Yakshagana research centre, Ratnakara varni Jain Study centre, Tulu Adhyayana Peeta, Shivaram Karanth Peeta etc to promote research in local culture besides the works of the departments like Kannada, Sociology, history that has been attracting significant foreign institutions.

Many researchers from Japan, Germany and Finland etc have done substantial research work on local cultures supported by Mangalore University. Siri Mahakavya Sangraha, that is collection and study of oral tradition, for instance, is a collaborative work between Mangalore University and Turku University, Finland and more of such work is desired

- **Community based organizations and private initiatives:** The region is known for private initiatives (less dependence on government) and many community organisations based on religion, community and profession have been rendering social services, interestingly across communities making the region distinct. These organisations have enabled political mobilization, increased literacy rate, provided health care facilities, expanded banking reach and financial inclusion. This drive by the community organization is typical of the region and potential for global study.
- **Rural development:** The rural development pattern is distinct again in terms of private initiatives and success stories of initiatives like Sri Kshetra Dharmasthala Rural Development Project (SKDRDP) and Siri Gramodyoga that has transformed the nature of rural area. The rural areas have successful Total Sanitation Campaigns (TSC), quality schools, better health services, good banking and cooperative banks that makes region distinct. Most of these are the results of local initiatives and community supported activities.
- **Community studies and ethnicity:** The region has distinct tribes and communities with their own cultural practices and their study is a fertile area for research. Kodavas, for instance, have community sports practices that make them distinct and many communities have typical spirit worship customs and practices that again has been drawing the attention of scholars. The community studies offer scope for greater collaborative global research.

The frontier areas of research works in science and technology include keeping in view of the geographical concerns, societal needs and other logistics. The university falls under the coastal areas of Karnataka and has got an easy access to the unique Western Ghats. Western Ghat flora is known for long time to be legendary source of herbal plants with medicinal values. Some of the advanced research works will focus on characterization, drug development and improvement of the plant products for a variety of indications of human and

animal populations. These include Bioprospecting conservation in the core areas of research. In addition, important emerging areas like Nanotechnology, Drug Design and Development, Radiation Biophysics, Solar Energy and Solid Waste Utilisation have been included within Core areas of research.

The core activities of research will be in the areas of

- Western Ghats ecosystem- analysis, conservation and protection of endangered flora and fauna.
- Research and development of plant based drugs for various indications.
- Research and Development of drugs and delivery systems and remedial technologies to alleviate chronic infectious diseases.
- Advanced materials and devices using Nanotechnology
- Improved flora of the Western Ghats of the coastal Karnataka region, soil health and soil mapping.
- Cataloguing, mapping and bar coding of plant diversity.
- DNA Finger Printing of selected / endangered flora.
- Commercializing Orchid culture and preservation using nanotechnology.
- High throughput production of viral free plants through tissue culture for rapid propagation.
- Multiplication and conservation of endemic and endangered plant species.
- Collaborating with other institutions through interdisciplinary research and industry - academia interactions.

f. Promotion of excellence in higher education:

- International and National conferences were conducted by the University.
- Over the last year, five MOUs with international institutes have been signed for collaborative programmes and research.
- To motivate the young researchers and students, over 35 senior academicians and researchers have been appointed as Adjunct Professors to various departments. The University has adopted 'Back to roots' initiative and brought good teachers and research scholars working abroad in reputed Universities to Mangalore University.

Initiatives taken to promote overall development of the university:

- The Research centres like CARRT, CARER are established and the facilities in the PURSE labs are strengthened to carry out frontline research.
- The University has started new UG as well as PG courses in accordance with changing trends in higher education. A new college on the Mangalagangothri campus is offering BA, BBA and BCom courses. The university also has opened an Evening college at the University College, Mangalore premises to cater to the educational requirements of the working class in the city. The university has initiated action to start LLM programme.
- **Technological Initiatives:** The University campus is made a Wi-Fi campus so that internet is available 24 hours for stakeholders on the campus. The University offices are made paperless offices by providing a computer to all the non-teaching staf. The university has also adopted e-governance initiatives of the Govt. of Karnataka. ICT has become an integral part of teaching and learning. Accordingly action has been taken to provide Audio-visual and ICT facility to all the classrooms. All faculty members have been provided with a laptop so that they can utilize all e-resources for effective teaching. The SC/ST research scholars and PG Students provided laptops under SCP/TSP grants apart from giving them extra books in the library for their studies. The Library has a cyber-lab for online reference of books and journals. Remote access has also been provided for the users to see the online resources in the library from anywhere anytime. Anti-plagiarism software has been installed in the library so that all researchers can check their articles and thesis for plagiarism and improve upon the quality of publications. CCTV cameras have been installed in the entire campus.
- **Green Initiatives:** All Science labs are converted into modular labs providing for anti-rust anti corrosion materials for arrangement of equipments in the laboratories. A vermi-compost plant for waste Management has been started to utilize the waste on the campus. A solid waste management plant has been initiated in collaboration with the Zilla Panchayat to help villages in maintenance of waste. A campus cleaning programme has been started in which all faculty and students are involved in cleaning the campus every third Saturday of the month. Installation of Solar energy systems and Rain water harvesting has been completed. All street lights on the campus are now converted to LED lighting so that power can be saved and utilized in a better way.

- **Other Initiatives:** An important initiative is introducing Mangalore University to the International community and bringing International Students to the University for study and research. We now have about 140 international students on our campus doing their UG, PG and PhD studies. The achievers in Sports and Cultural activities from the Alumni of the University are felicitated every year on the Foundation Day. Encouragement is being provided to sports through formulation of sports policy and providing fellowships to sportsmen for higher education. Information Kiosks and Digital Signage boards are installed on the campus and in all constituent colleges such that students can get any information from the University and see the programmes in the University. Village adoption programmes are initiated under the banner 'MANGALA YOJANE'- taking the University to the Village to help villages in developing on all fronts.

- g. Welfare measures for SC/ST/OBC/Women/Divyangj and others:
Several welfare measures have been provided to SC/ST/OBC/Women/Divynag and others community. The following cells have been strengthened and are aimed to provide the needed facilities to the student community:

SC/ST Cell

- A special Cell for the welfare of Scheduled Caste and Scheduled Tribes in Mangalore University has come into existence for effective implementation of the programmes and policies of reservation. The Cell is advised by a Standing Committee on various policy matters pertaining to academic and non-academic matters under the Chairmanship of the Vice-Chancellor.
- The Cell awards SC/ST research fellowships and contingency grants to the Ph.D. students. It also extends financial assistance to various programmes such as study tour, preparation of dissertation/project reports, purchase of sports kits and computer training. Training programmes for the SC/ST students appearing for UGC/JRF/Lectureship examinations, facilities awareness programme, career guidance and personality development programmes are also conducted.
- A database of the SC/ST students studying in the affiliated colleges of Mangalore University and Post Graduate departments of Mangalore University is maintained in the SC/ST Cell.

- h. Promotion of Kannada in all its celebrated forms:
- Kannada language is adopted as administrative language
 - Lecture series are being regularly arranged in various affiliated colleges to promote Kannada language
 - Prasaraanga is entrusted to print Kannada books, novels, research publications and monographs.
 - University web-site is re-designed in Kannada.
- i. Initiatives to mobilize finances through PPP, alumni/alumnae associations etc.,
- Different chairs are established with the help of individual/organizational donors
 - Govt. funded chairs/centres are established
- j. Innovative measures to ensure announcement of results before commencement of next semesters of UG and PG degree courses
- Mangalore University examination section is continuously progressing by adapting the available latest technology and the best practices. Some of the innovative measures are as follows.
- Student data is directly imported from the Online Admission Data
 - Exam Registration and the IA marks entry are being done online.
 - Examination Admission Cards are issued directly to the colleges through online.
 - For valuation, the answer scripts of all the courses are coded.
 - The coding of the answer book is done completely automatic by using printers which have the capability of printing codes directly on the answer scripts, hence reduces the mistakes that would happen in manual process.
 - Since all marks entries (both theory and practical's) are entered by valuer/examiners, as a result wastage is minimum, such as error in marks cards etc are very minimum.
 - During Oct/Nov 2018 exams University has introduced a new system of online entry of marks in the valuation centre itself and results were announced within a week of completion of valuation work.
 - During April/May 2019 Exams all practical marks were entering online by the Colleges where practical exams were conducted.

9. Center for Social Exclusion and Inclusive Policies and its functioning – status report

University Grants Commission (UGC) sponsored “The Centre for study of Social Exclusion and Inclusive Policy (CSSEIP)”, is a multi-disciplinary research centre established under UGC Xth plan in the Mangalore University to carry out research and teaching in the areas of social exclusion, discriminatory studies and inclusive policy. The key objective of the centre is to conceptualise, contextualise and problematise discrimination, exclusion and inclusion based on caste, ethnicity and religion. The centre proposes to focus on developing understanding of the nature and dynamics of exclusion and discrimination at both theoretical and empirical levels. Presently, The CSSEIP centre is undertaking research projects, publishing research findings on social exclusion and inclusive policies related issues in various Journals, organising seminars, workshops and training courses.

Objectives of the Centre:

- Conceptualizing discrimination, exclusion and inclusion based on caste/ ethnicity and religion.
- Developing understanding of the nature and dynamics of discrimination and exclusion.
- Contextualizing and problematizing discrimination, exclusion and inclusion.
- Developing an understanding of discrimination at an empirical level.
- Formulating policies for protecting the rights of Marginalized groups and eradicating the problem of exclusion and discrimination.

Relevance of the CSEIP Study centre

UGC in its Eleventh Plan Period (2007-2012) for Universities mentioned as “Social exclusion not only generates tension, violence and disruption but also perpetuates inequality and deprivation in Society. In India, certain communities such as Scheduled Castes, Scheduled Tribes and religious minorities experience systemic exclusion in the matter of taking advantages of development. Social Exclusion is a complex and multidimensional concept having social, cultural, political and economic ramifications. The consequences of macro-economic policies such as poverty, unemployment and involuntary migration exclude the victims from economic, cultural and political activities. Therefore, the study of such hegemonic structures is all the more important in the Indian context where institutional inequality and discrimination have been a pervasive feature of our society.

Developing teaching Courses for Post-Graduation level, Research Supervision for Ph.D students, undertaking research projects, publication of articles on the issues of social excluded groups and inclusive policies and extension activities and also organising workshops, conferences and seminars etc are the theoretical as well as policy importance.

- d. Credit Accumulation and Transfer System after implementation of Choice Based Credit System (CBCS): Admission to International students and students from other states who have not studied under CBCS; lateral entry and admission of diploma students to UG degree course

CBCS Implementation at PG Level:

The University Grants Commission, New Delhi, has directed all Universities in the country to implement the Choice Based Credit System (CBCS, Semester Scheme) in both the undergraduate and post-graduate programmes and has been issuing a series of guidelines with regard to this. The Higher Education Council, Government of Karnataka, has considered the implementation of CBCS and has organized workshops in this regard. The Choice Based Credit System enables the degrees of Mangalore University to be on par with the global standards. Given the present trend of globalization, it is all but fitting that Mangalore University should adopt the CBCS so that the acceptability of the programmes and degrees offered by the University becomes comparable and readily acceptable. The University considered the feasibility of CBCS at several levels and through the meeting of several of its statutory bodies. After due consideration, the following Regulations were drawn up.

The Salient Features of the Choice Based Credit System (CBCS) (Semester Scheme):

Each course in a programme shall carry certain number of credits, which normally represent the weightage of a course and are a function of teaching, learning and evaluation strategies such as number of contact hours, the course content, teaching methodology, learning expectations, etc. In the proposed programmes, the credits shall be based on the number of instructional hours per week, generally 1 credit is equivalent to one hour of instruction in theory, or 1 or 2 hours of tutorial, or one and a half or two hours of practical/field work /project work / internship per week.

The other features of the CBCS (Semester Scheme) are:

- The P. G. degree programmes are structured on credit based semester scheme.
- The relative importance of subjects of study and activities are quantified in terms of credits. Total credit of the programme is between 84 to 92.
- Each programme of study will have “Core” and “Elective” courses. The Core course will further consist of “Hard” and “Soft” core courses. Hard core courses will have 3-5 credits while soft courses will have 3-4 credits.

- Two or more Open elective courses of 3 credits each shall be offered in the II and III semesters by every Department. Open elective will be chosen from other programmes within the faculty or across the faculty.
- The declaration of result is based on the grade point average (GPA) earned towards the end of each semester and the Cumulative Grade Point
- Average (CGPA) earned towards the end of the programme with corresponding alpha –sign grade.

Provision has been made for Accumulation of credits if the students have studied in different institutions /Universities by giving them option of leaving out the courses which they have studied earlier and such credits are transferred to their Marks card.

Any student who has completed the course with a certain number of credits under the MOOC programme is also eligible to get the credits transferred to his Mark card issued by our University. Students who have studied in other state (who have not studied CBCS pattern) are allowed to take admission under CBCS by completing the papers /courses which they have studied as per CBCS pattern of our University.

Provision has been made for the Admission of Diploma holders to III Semester of degree programme is here under;

A candidate who has passed the three years Polytechnic Diploma Examination as identified by the concerned course / programme Board of Studies and approved by the University may be directly admitted to III Semester of the programme. Such candidates are eligible for grading but not for ranking.

A Candidate successful at the diploma examination of Secretarial / Commercial practice conducted by the Government of Karnataka may be directly admitted to the III Semester (Second year) B.Com. Degree programme. Such candidates are eligible for grading but not for ranking.

c. Total number of vacant posts, cadre wise and reason for vacancies

Cadre	No. of vacant posts
Professor	19
Associate Professor	16
Assistant Professor	23
Total	58

Reason for vacancies: In the recent years more numbers of faculty got retirement and the permission is sought from the Government to fill the vacant posts but University has not received permission from the Govt.

d. Total number of Guest Faculty with their qualifications and reservation categories

23. Convocation:

a. Distinguished invitee who delivered convocation address and Vice-Chancellors report to the Chancellor.

Smt. Padma Ramachandran I.A.S. (Retired)(Former) Vice Chancellor M.S. University, Baroda on 12th April, 2019 has attended the 37th Convocation.

37th Convocation Welcome speech / Vice Chancellor report

Let me now proceed to present a brief report about our University's performance and development as far as our academic achievements, progress in research, extension activities and sports & extracurricular activities, are concerned. Starting from mere 5 post graduate programmes and few colleges today Mangalore University today has 28 post graduate departments offering 41 post graduate programmes and has over 210 affiliated colleges. Mangalore University has over 30 Chairs and Study Centres covering various facets of culture, language and regional studies and all have been functioning very well. A unique Yakshagana Museum is maintained depicting the rich heritage of this art and we also have a precious molluscan shell museum on the campus. The facilities available on the campus include Administrative building, Faculty Buildings, well equipped Library with a large collection of books, a cyber lab and a plagiarism testing software, Hostels, Staff quarters, Guest houses, a well equipped outpatient health centre, a well furnished Mangala Auditorium, an International student centre, five constituent colleges and a distance education centre, C V Raman Circle and beautiful parks in front of academic buildings. All science labs are converted to Fully modular labs with anti rust anti corrosion materials. The campus also houses a Lecture Complex which has 15 class rooms and two mini auditoriums. The four hundred metre track with stadium and well furnished Gymnasium with modern equipment and a seminar hall are developed to encourage sports. Digital signages and Information KIOSKS, C.C.T.V. cameras are installed all over the campus. We are now moving towards making the University self sufficient in Energy requirements by installing Solar energy panels on important buildings funded by ministry of nonconventional energy. Mangalore University has grown into a multidisciplinary and research-oriented university. And now MU has acquired a stellar reputation in India and abroad for its effort to promoting excellence in teaching, research, capacity building and community service. MU has built international collaborations with many institutions in different countries of the world making this university as one of the leading universities in India. Our University has also been the sought after universities for higher education by

International students. As on today over 160 International students from 34 countries are pursuing their higher studies in Mangalore University and over 100 have passed out during 2017 to 2019.

Today the university has carved a niche for itself in the area of research and academic achievements. Over the years the University has been consistently ranked among the top universities in the country. Though young in age it is only the 3rd university in the state to be recognised for its research contributions among the top 50 universities of the country. Our teaching faculty members have rendered themselves credibly in their teaching and research activities. The University conducts all its activities strictly as per a fixed calendar of events and has been regularly revising the syllabi to suit the needs of the job market.

The year 2018–2019 saw many endeavours from our part but I would like to point out some of the major achievements of our University. Mangalore University holds the first place in percentage of internationally collaborated papers in India. The h index of MU is presently 64 as per Scopus a steady hike from 39 in 2015 to 64 in 2018. Mangalore University is ranked 87 in the NIRF ranking a good leap into top hundred in the last one year and is also ranked 12th among Government run Universities and first in Karnataka state as per India Today rankings. Mangalore University has been ranked third at the national level by UI Green Metric World Ranking for its green initiatives and academic ambience. Our University is one of the top three universities on the basis of QS ranking (Thomson Reuters, USA) in Karnataka State, 43rd in the country and is placed at 175th position among BRICS nations. This has boosted the image of the university.

The University has 65 linkages across the globe with reputed research centres and institutions for collaborative teaching and research programmes and over 15 national research centres like BARC, Mumbai; IGCAR Kalpakkam, NSC New Delhi, IISc Bangalore, CLCR Bangalore, CFTRI Mysore, NAL Bangalore and so on. Our University has also established national research facilities like Microtron, CARER and CARRT and houses many research equipments in different departments and PURSE labs and we have a unique animal house too. An IOT lab and an Incubation centre are started to develop the skills of students and give wings to the innovative ideas of the students.

During the current year our University post graduate departments have organized 03 International Seminars, 9 National Seminars, 10 Workshops and more than 30 faculty members have been deputed to participate in National and International Conferences. Village adoption programmes have been conducted in three villages by our PG departments.

I am happy to report that we have over 50 ongoing research projects funded by UGC, BRNS, DST, NPCL, MoES, and ICSSR etc. The total grants for these projects amount to over 20 crores of which 6.5 crores are sanctioned during the year 2018-19. The department of Yogic Science has UGC assistance for Innovative Programmes and regularly conducts training for International students as per MoU with few countries.

The University has introduced the Choice based credit system for PG courses successfully and has moved ahead to introduce the CBCS system in UG programmes too from June 2019 giving more importance to skill development. New post graduate course M.Sc. in Medical Physics has been started from the academic year 2018-19 having MoUs with A.J. Hospital and Research Centre and Mangalore Institute of Oncology, Mangalore. This course is recognised and approved by AERB, Mumbai.

To provide good exposure and training the University has appointed 45 scholars both from India and abroad as Adjunct Professors. The University was able to get highest number of GIAN programmes during the last year in phase 2. Till date over 27 GIAN programmes have been conducted in our University.

On the extracurricular front too, the University has excelled and proved to be a champion among sports and cultural activities. In sports consecutively for three years Mangalore University has secured overall championship in All India Inter University Athletics Champion by securing 16 Gold, 16 Silver and 9 Bronze Medals and Our students are selected for World University Games -2019 to be held at Italy in July. Our University is now among the top six Universities in India in sports.

In the cultural activities our University has bagged the first place in three events, folk dance Drama and skit at the All India youth festival held at Chandigarh. For the first time in the 39 years of its history Mangalore University was the first University from Karnataka to perform at the International level at the 12th South Asia festival. Recognising the performance our team three Universities from other parts of India (Darjeeling Univ, Chattisgarh, Kanchipuram Univ, Chennai and Guwahati Univ, Assam) have signed MoU with our University for cultural exchange.

Since its establishment in 1980, the University family has been expanding through the fraternity of its alumni who have gone on to make a mark in every walk of life. Our alumni are our pride. They have made an outstanding contribution at both national and international levels. Their continuing support to their alma mater deserves a thunderous applause. And we wish them all the best.

As you all know, since the inception we had set several goals to take forward the vision and growth of the University. We have attained some of those goals and we remain committed to our steadfast work to achieve the rest in due course.

Mangalore University had undergone the process of evaluation by NAAC in 2014 with A+ which was a major milestone in its history. Now once again we are taking up this challenge. It is a versatile exercise in which every department of the University has to work hard, day and night, and deliberate to make a difference in every sphere of university life. We have rebuilt ourselves leaving behind our apparent weaknesses and most importantly, we are determined to maintain the momentum of improvement in every sphere of university life. On behalf of the University administration, I place on record our deep appreciation to our colleagues, both teaching and non-teaching, for giving their best to the development of the University.

d. Research Projects:

- i. Ongoing projects with funding source & Title of the Project
(International/National/State/Industry/University Etc)

Sl. No.	Name of the Principal Investigator	Title of the Project	Funding Agency	Amount Sanctioned (Rs.)	Amount Released (Rs.)	Duration
1.	Dr. H.M. Somashekarappa, USIC	Estimation of dose due radon and thoron progeny and establishing equilibrium factor distribution for southern region of India	BRNS	68,50,000/-	53,92,000.00	2013-14 3 years
2.	Dr. N. Karunakara	“ Development and Standardization of a method for sampling and measurement of 14 C in environmental matrices and estimation of its release to the environment	BRNS	3,17,94,000/-	2,97,82,000.00	2013-14 3years
3.	Dr. Monika Sadananda, Associate Professor, Department of Bio-Sciences, Mangalore University,	Anticipation in genes: Molecular, Physiological and behavioral correlates of response of area – annual clocks to seasons in night-migratory song birds	DBT	40,43,000/-	19,50,000/-	2013-14 5 years

4.	Prof. B. Narayana Dept of Chemistry	Standardization of methods for long term continuous sampling of air for 34 measurement and for the measurement of DBT and TFWT in environmental matrices	BRNS-CRP	1,64,50,000/-	1,49,92,000/- through ECS	2013-14 3 years
5.	Dr. Sneha Rani A.H. Asst.Professor Dept. of Biochemistry	Therapeutic effect of bioactive principles on melanogenesis in melanoma cells	UGC start up Project	06.00 lakhs	06.00 lakhs	
6.	Dr. Sneha Rani A.H. Asst.Professor Dept. of Biochemistry	Understanding the Therapeutic Potential of legume serine protease inhibitor and thereof designing small cyclic peptides	SERB	22,10,000/-	10,00,000/-	3 years (2015-16 - 2017-18)
7.	Dr. Ganesh Sanjeev, Professor, Dept. of Physics	Radiation effect on Polymer nano composites	BRNS	16,77,000/-	05,07,300/-	3 years (2014-56 - 2016-17)
8.	Dr. Raju Krishna Chalannavar Dept of Applied Botany	Discovery and development of Novel Drug from Natural products from Psidium and their . . . Transmitting Mosquitoes	DST	8,72,000/-	3,27,000/-	3 years (2015-16 - 2017-18)
9.	Dr. Paul G. Aquinas, Associate Professor & Dr.Yashaswini B. Asst. Professor, Social Work	Skill gap analysis study of city of Mangalore	Skill gap analysis	4,74,000/-	2,98,620/-	
10.	Dr. M.R. Maddani Asst. Professor, Dept. of Chemistry	Novel Synthetic Strategy for easy access to proline derivatives	UGC-BSR start up Project	06.00 lakhs	06.00 lakhs	2015-16
11.	Dr. Suresh P.S. Asst. Professor, Dept .of Biosciences	Unravelling molecular mechanisms linking adipokine (leptin) and steroid hormone (estradiol) to endometrial cancer for novel therapeutic approaches	SERB	26,75,000/-	16,55,000/- RTGS	3 years (2015-16 - 2017-18)
12.	Dr. Kishori Nayak K., Professor, Dept. of English	Women's personal Narratives: (Re)writing women's (HI) stories	UGC MRP	7,28,600.00	4,70,600.00	3 years (01.07.2015. - 2017-18)
13.	Dr. Mohan Singh Co-ordinator, MSW Dept of Sociology	Socio-Economic study, need Assessment and CSR plan for the proposed expansion of UPCL power project by 2x800MW	Adani Power Ltd UPCL	13,51,625/-	3,64,938/- 4,41,982/-	

14.	Dr. Suresh P.S. Asst. Professor, Dept .of Biosciences		UGC start up Project BSR 2015- 16	6,00,000/-	6,00,000/-	
15.	Dr. Karunakara N USIC	Nationwide Environmental Gamma Radiation Monitoring using TLDS	BARC MU- MOU	12,30,000/-	3,61,620/-	3 years Sanction during 2015- 16
16.	Dr. Manjaia.D.H Department of Computer Science	Novel Routing Algorithm for Mobile Ad.Hoc Network	SERB	5,50,000/-	5,50,000/-	1 years 2016-17
17.	Dr. Chandra M Department of Biosciences	Evaluation of Anti oxidant Properties of Medicinal Plants against Phytophthora B light Disease of Papaya (Cavca Papaya L) from western Ghats of Karnataka	SERB	29,13,240/-	13,20,000/-	4 years (2015-16 – 2018-19)
18.	Dr. Doreswamy Dept of Computer Science	Distributed Data Mining Framework for smart net big data analytics	SERB	5,50,000/-	5,00,000/-	1 years 2016-17
19.	Dr. B. Yashaswini Asst. Professor M.S.W. Dept of Sociology	A Study to assess the Socio-Cultural and Political Dimensions and the underlying vulnerability, Discrimination and Social Exclusion of Transgender in Karnataka.	ICSSR	10,00,000/-	4,00,000/-	2 year 2016-17 – 2017-18
20.	Dr. Prashantha Naik Asst. Professor, Dept of Biosciences	Assessment of Male Reproductive Toxicity of Nanoparticle Therapeutics and protective effects by Nutraceuticals	SERB	5,50,000/-	5,00,000/-	1 years 2016-17
21.	Dr. Jagadeesh Prasad Dept. of Chemistry	Synthesis, Characterization and Antimalarial Activity Studies of Some Novel 8 Trifluoromethyl quinoline derivatives	DST- SERB	11,00,000/-	6,00,000/-	2 years
22	Prof. Naveen Kumar S.K. Dept. of Electronics	The Fabrication of Nanoparicles Based Soil Condition Testing Sensors and development of Soil Condition Monitoring System	UGC	1,14,78,000/-	-	3 years
23	Dr. M.R. Maddani Asst. Professor Dept. of Chemistry	Investigation of reactivities and applications of new electrophile Components	DST- SERB	32,67,000/-	17,89,000/-	3 years

		for morita – baylis – Hillman reaction				
24	Dr. Balakrishna Kalluraya Professor, Dept. of Chemistry	"Synthesis and development of novel Polymers with enhanced opto-electronic property by gamma irradiation of mesoionic compounds	BRNS	31,35,400/-	16,84,000/-	3 years
25	Dr. Raju Krishna Chalannavar Asst. Professor, Dept. of Applied Botany	Discovery and development of natural product from psidium spp and their effects on malaria causing mosquito Anopheles arabiensis	SERB	5,50,000/-	5,00,000/-	1 year
26	Dr. Dharmappa K.K. Assistant Professor Dept. of Biochemistry M.U. P.G. Centre Chikka Aluvara	Secretory Phospholipase A2 inhibition by bioactive compounds/s from macro-tyloma uniflorum (seed) neutralization of Inflammatory reactions	UGC MRP (Transfer from Govt Science college Hassan	13,76,800/-	9,42,800/- (released) 1,68,768/- (Amt transferred from Govt. Science college Hassan	
27.	Dr. Monika Sadananda Dept. of Bioscience	PUFAs as potential radiomodifiers: Implications in radiotherapy and countermeasures	BRNS	22,40,400/-		
28.	Prof. H.M. Somashekarappa, Centre Incharge CAART	Synthesis radiolabelling and cauterization of same selected metal and polymer based nanoparticle	BRNS	23,25,700/-	6,43,950.00 RTGS	3 years 2016-17 to 2018-19
29.	Prof. K. Bhasker Shenoy, Dept. of Appl. Zoology.	C-reaction Protein – Development and validation of sensitive radioimmunoassay for the inflammatory marker.	BRNS	27,90,400/-	13,61,500/-	3 years 2016-17 to 2018-19
30.	Dr. Rajashekhar K Patil Professor, Department of Applied Zoology	Radiation tolerance mechanisms in insects: Possible source of methods for development of future.	BRNS	30,55,400/-	16,26,500/- through RTGS	3 years 2016-17 to 2018-19
31.	Dr. I.K. Manjula Asst. Professor, Department of Microbiology, M.U. PG Centre, Chikka Aluvara	Mechanism based screening of antimicrobial peptides with anticancer activity from mangrove soil-antinomycetes from south canara of Karnataka	DST-SERB	46,71,000/-	22,95,000/-	4 years
32.	Dr. K.R. Chandrashekar Department of	Isolation and Characterization of anti-diabetic compounds from	SERB-DST	25,00,520/-	2,00,000/-	3 years

	Applied Botany, M.U	Naregama alata				
33.	Dr. Ishwara P. Professor ICSSR Project Commerce	A Study on Effectiveness of corporate Social Responsibility (CSR) Activities with reference to some selected Banks in Karnataka	ICSSR	7,00,000/-	2,80,000/- Ch No035808 Dt 31.03.2017	3 years
34	Prof. B.H. Shekar, Dept. of Computer Science Mangalore University	Exploration of continuous Morphological Models for Analysis and Recognition of Dynamic Depth Images/Videos	DST- RFBR	28,40,400/-	12,25,200/- RTGS March 2017	2 years
35.	Dr. Sangappa, Department of Physics	"Synthesis Gold Nanoparticles Using Silk Fibroin as Biotemplate characterization and color sensor Applications "	SERB	38,86,000.00	26,30,000.00	3years
36.	Dr. N. Karunakara Coordinator, CARER USIC Mangalore University	Validation of liquid Scintillation Spectrometry based Carbon – 14 measurements techniques by AMS and development of reference materials for application in environmental monitoring programmes around nuclear power plants	IUAC/X111 3A			
37.	Dr. Suresh P.S. UGC FRP DBT Project, Bioscience Dept.	'Exporation of the diagnostic/Therapeutic potential of noncoding RNAs – Phosphatase – HER2/UPAR cross talk in breast cancer'	UGC-FRP DBT	56,43,200.00	40,60,000.00	3 years
38.	Dr. Gunashree, Department of Studies and Research in Microbiology, P.G Centre, Chikka Aluvara	"Antinutrients free Tamarindus indicis seeds based composite food formulation"	DST - SERB	43,23,409.00	26,16,409.00	3 Years
39.	Dr. Wajeeda Bano Department of Economics, Mangalore University	"Food Security in india: A case study in coastal District of Karnataka"	ICSSR	6,00,000.00	2,40,000.00	2 Years
40.	Dr. Preethi Keerthi Dsouza Department of Commerce, Mangalore	"Agribusiness and women: A stride in route for rural Application – A study of selected districts in the state of Karnataka"	ICSSR	8.40,000.00		

	University					
41.	Dr. Devendrappa H. Department of Studies in Physics, Mangalore University	"Comparative studies on fullerenes and non-fullerene acceptor for organic solar cells"	DST-SERB	30,61,500.00	17,00,000.00	3 Years
42.	Dr. Y. Narayana Principal Investigator Department of Physics	Evaluation of oxidative stress induced by energetic charged particles in biological systems using Microtron accelerator	BRNS - BARC	14,11,000/-		2014-2017 3 years
43.	Dr. B.K. Sarojini, Department of Chemistry	"Evaluation of cytotoxicity and radiosensitizing efficacy novel sulfonamide/nitro group containing imidazothiazole derivatives for synergistic anticancer activity"	BRNS	13,13,500/-		2014-2017 3 years

ii. Completed projects with details as above

— Organized One day workshop in association with International Skill Development Corporation, U.K, London, on International Financial Reporting Standards (IFRS) in the University College, Hampankatta, Mangalore on 06-10-2018.

— Organized ICSSR sponsored Two Day National Conference on Corporate Social Responsibility (CSR): Challenges and New Initiatives and Emerging Issues and Challenges in Commerce and Management on 14th and 15th September, 2018 in Department of Commerce, Mangalore University, Mangalagangothri.

- Organized ICSSR sponsored Two day International Conference on Contemporary Innovations in Industry and Commerce on 22nd and 23rd February, 2019 in Department of Commerce, Mangalore University, Mangalagangothri.
- International Yoga Teachers Training Programme 28th to 30th January, 2019.
- SVP Institute of Kannada Studies and Prof S V Parameshwara Bhata Samithi, Mangalore jointly organized One day Conference on Prof S V P Samsmarana Prashasthi Pradana Samarambha 2019 from 06.03.2019.
- “Two day Special Lecture Series Workshop” on 5th and 6th October 2018 founded by Karnataka Science and Technology Academy.
- Special invited lectures from eminent scholars in mathematics on 16th and 18th March 2019 founded by faculties.
- National Level seminar/conference organized on 29-30 March 2019 with financial assistance of ICSSR, New Delhi.

26. Invited lectures/key note address by distinguished academicians

- Dr. B.S. Satish Rao, Professor & Head, Department of Radiation Biology and Toxicology, School of Life Sciences, Manipal Academy of Higher Education, Manipal Invited talk “Profiling radiosensitivity and personalized implications” 22.09.2018
- Sri Shreedhar, R.F.O., Department of Forests, Mangalore, Invited talk on Wildlife Conservation 05.10.2018
- Prof. Moinak Banerjee Human Molecular Genetics Laboratory, Rajiv Gandhi Centre for Biotechnology, Thiruvananthapuram, Kerala Invited talk “How to dissect complex disorders – A perspective” 28.11.2018
- Prof. H.N. Yajurvedi, Department of Zoology, University of Mysore, Mysore. Invited talk “Stress Management” 23.02.2019
- Sadananda M. Career opportunities in the life sciences, What next after BSc? Career and academics, 27 June, 2018 University College, Mangaluru
- Gender equality in learning spaces, Internal Complaints Committee, SDM College, Ujire, 21 March 2019.
- Prof. K R Sridhar, Lecture: Diversity of Macrofungi in the Forests and Plantations of Southwest India National Workshop on Agrobiodiversity Conservation for Sustainable Socio-ecological Development, Centre for Ecological Economics and Natural Resources, Institute for Social and Economic Change, Bangalore September 24, 2018, Department of Applied Botany, Mangalore University, Mangalagangothri

- Fungal Diversity and Conservation: Significance, Strategies and Implications Global Association of Scientific Young Minds September 27, 2018, Department of Botany, Maharani's College, Mysore
- Macrofungi in Human Nutrition and Health Human Microbiome in Personal Medicine - Bridging Humans and Microbes for Future Sustainability, Sixteenth National Conference of Indian Association of Applied Microbiologists September 28, 2018, JSS (Deemed to be University), Mysore,
- Fungal Diversity and Conservation: Strategies and Significance, January 28th, 2019, Department of Zoology, FMKMC Mangalore University College, Madikeri
- Fungal Diversity and Conservation; Macrofungi in Nutrition and Health Academic Staff College, Refresher Course in Botany March 16, 2019, Bangalore University, Bangalore
- Mr.Prashanth Neelavara, Asst. Professor, LSB Govt. First Grade College, Kota, Udupi Special lecture Competitive Exams and Strategies for Success 30th October, 2018.
- Design and Synthesis Of Novel Sulfonamide Substituted Imidazobenzothiazole Derivatives As Radiosensitizers For Anticancer Therapy, International conference on Advances in Radiation Biology -radiation therapy and radiation counter measures, ICRB-2018 held on 4th-6th October 2019 at K.S Hegde Academy of Medical education, Nitte (deemed to be) University .
- Role of Active Principles Of Papaya Leaf Extract - Collagen Composites In Wound Healing - A Study, 39th Annual conference IABMS held on 15th -17th November 2018, at P.G.Centre, Jnana Cauvery Campus Chickaluvvara, Mangalore University.
- New Thiazolone Sulfonamide Derivatives as Effective Anti- Zika Virus AGENTS 37th ICC talk NITK Surathkal 12-14th Dec 2018.
- Polymer-Organic Small Molecule Hybrids As Luminescent And Down Converting Materials For Optoelectronic Applications, International Conference on Advance Functional Materials for Energy, Environment and Health Care, during 18-20, March 2019
- Thirumaleshwara N Bhat(2018), “Energy efficient materials and devices” workshop on “Eco-friendly products and practices-2018 Sahyadri college of engineering & management, Mangaluru, April 27-28, (*Invited talk)
- Kishore Sridharan(2018), “Design and Development of Functional Nanostructured Materials”, Dept. of Atomic and Molecular Physics, Manipal Academy of Higher Education, Manipal, 1st September. (*Invited Talk)
- Manjunatha Pattabi(2018), ‘Biological applications of gold and silver nanoparticles: Diagnostics to Therapy’, Refresher Course, Kannur University, 8th November. (*Invited Talk)
- Manjunatha Pattabi(2018), “Scientific Research for Sustainability’, Refresher Course, Kannur University, 8th November. (*Invited Talk)
- Manjunatha Pattabi(2018), “‘Noble Matter Nanostructures for Biological Applications’ XXXIX Annual Conference of Indian Association of Bio medical Scientist (IABMS), PG Centre, Mangalore University, Chikka Aluvvara, 16th November. (*Invited talk)

- Manjunatha Pattabi(2019), “How important is a Depositor Rate in PVD”, Mini-Symposium on Modern Spintronic Materials, Department of Physics, NITK, Surathkal, 11th January. (*Invited talk)
- Thirumaleshwara N Bhat “BaTiO3/GaN Heterojunctions” First Indian Materials Conclave and 30th AGM, MRSI Bangalore India, Feb 12-Feb 15 2019 (*Invited Talk)
- Delivered Technical talk on “Advanced Wireless Technologies and Satellite Communication Technology” held on 16th, 17th and 18th January 2018, Organized by ECE Dept., Held at Department of Electronics building, Govt. Polytechnic College, Gulbarga. Karnataka.585102.
- Delivered Technical talk (as resource person) in four day Faculty Development Program (FDP)-Workshop on “Advanced Antenna Technology & Smart Antennas” held from 01st - 04th Dec. 2018, Organized by ECE dept, Held at Department of Electronics & Communication Engg., Sh. Guru Nanak Dev Engineering College, Bidar, Karnataka.585403.
- Delivered Technical talk/Lecture on “Wireless communication & Mobile technology” held from 16th - 17th Aug. 2019, Organized by ECE dept, Held at S S Tegnoor Degree college, Gulbarga, Karnataka.585106.
- Prof Hanuma Nayaka Participated in UGC Refresher Course on 11.09.2018 held at Calicut University Kerala as a Resource Person and delivered two lectures.;
 - Situating Merchants in History with Special reference to Medieval Karnataka
 - Memorial Stones of Medieval Karnataka.
- Participated in UGC Refresher Course on 16.01.2019 at Mysore University as Resource Person and delivers two lectures on:
 - Political Economy of Medieval Karnataka
 - Monuments as sources of History
- Participated in National Seminar on 09.03.2019 Conducted by Govt First Grade College PG Department of History Bhadravaghi and delivered a lecture on, Heritage of Megalithic Monuments of Karnataka.
- Prof Nirmal Raju: National Seminar on Life and achievement of Rajarshi Nalwadi Krishnaraja Wodeyar “ Nalwadi Krishnaraja Wodeyar and Mahathama Gandhi” organized by Karnataka State Archaeology department Mysuru, February 16th and 17th -2019
- Nationala Seminar on Vijayanagara Studies: “Relationship between Vijayanagara Epmire and Southern Karnataka with reference to Krishnaraya the Regional Ruler“ organized by Karnataka State Archaeology and Museums Department of Hampi Nov- 3th and 5th -2018
- Prof. Undurti N. Das, CSO, UND Life Sciences, Federal Way, WA 98003, USA, visited the Department of Biosciences as Adjunct Professor and has delivered 03 special lectures on 23rd and 25th August, 2018 on the topic :
 - o How to select a topic and Do Research, 2. Lipids in Health and disease: Bioactive Lipids have anti-diabetic action 3. How to be a responsible Scientist to our M.Sc. Students at the Department of Biosciences, Mangalore University, Mangalagangothri.

- Adjunct Professor, Prof. A. R. Reddy, Fellow-IAS, Founder Vice chancellor, Yogi Vemana University, Hyderabad, Andhra Pradesh who has visited the Department of Biosciences on 20th March, 2019 to deliver 2 sessions on the subject 1. Plant genome evolution by expansion 2. Genomic analysis of plant genome evolution by expansion to our M.Sc. students at the Mangala Auditorium, Mangalore University, Mangalagangothri – 574 199.
- Professor Balakrishna S. Maddodi, Associate Professor, Department on Civil Engineering, MIT, Manipal delivered a talk on 'Research, Job and Entrepreneurship Opportunities in India and Abroad', in the Department of Biosciences on 17/01/2019.
- Mr. P Somarajan, Executive Consultant (Business Development), Foundation of Innovation & Technology Transfer (FITT), Indian Institute Of Technology (IIT) Delhi delivered a special talk on 'Prospective Entrepreneurship in Biotechnology/Healthcare Sectors – Funding and Supporting Options` 07/08/2018.
- In the context of World Ozone Day an invited talk on Ozone layer – Current status and our role in protection was conducted on 5.10.2018 by inviting a resource person Dr. Arun M. Isloor, Professor and Head, Department of Chemistry, NITK, Surathkal.
- Vishwa Nath Goel delivered lectures on Challenges- Resilience and Sustainability 25.09.2018
- Brahma Kumari Vishveshwari delivered lectures on Stress Management and Meditation 16.10.2018
- Prof. Ramachandra Bhat K. delivered lecture on Capital Market Awareness, Introduction to Mutual Fund & Financial Planning 12.12.2018
- Raghavendra S.M delivered lectures on Skill Development 27.02.2019
- Delivered Prof. Kaza Somasekhara Rao Awardee lecture on the topic, "Development of polysaccharide based drug delivery systems: Opportunities and Challenges" in its 37th annual conference held at NITK, Surathkal during 12-14th December 2018.

Dr. P. Dayananda Pai & Sri P. Sathish Pai Yakshagana Study Centre

YEAR OF ESTABLISHMENT: 2009

SOURCE OF CORPUS FUND: Dr. P. Dayananda Pai & P. Sathish Pai Trust
Bangalore.

Rs. One Crore received as corpus fund

STAFF

Co-ordinator : Dr. Dhananjaya Kumble
 Research Officer : Dr. Rajashree
 Research Assistant : Sri. Sathisha A.

— Dr. P. Dayananda pai and Sri P. Sathish Pai Yakshagana Study Centre was established in Mangalore University in 2009 for the Study of Yakshagana and its documentation. Yakshagana is a traditional performing art form, a popular theatre prevalent mainly in the Coastal Karnataka with its world acclaimed unique features. In fact, this theatrical art form of Karnataka is a representative art form of our State. With a history of more than eight hundred years, Yakshagana of Coastal Karnataka has developed into a highly harmonious, synthesized theater, comprising components like powerful music, colourful costumes, vigorous dance and extempore dialogues, all in their own distinguished style. In addition to its role as a form of artistic entertainment, Yakshagana has been an effective medium of information, value/moral education, especially to the masses. In its structure and performance style it enjoys both classical discipline and folk features.

— It is appropriate that Mangalore University has a centre for the study, dissemination, documentation and research of Yakshagana. Dr. P. Dayananda Pai and Sri P. Sathish Pai Trust has endowed a sum of Rupees one crore towards the establishment of Yakshagana Study Centre in Mangalore University. The activities of the centre will cover academic study, documentation, promotion, training, performances and experiments, publications, dissemination and encouragement of various activities and aspects connected with Yakshagana. It is hoped that the academic and utilitarian concern of the university for Yakshagana will serve as an institutional arrangement for the promotion of its richness and pristine beauty.

Objectives of the Centre

- Documentation, preservation, promotion and dissemination of traditional Yakshagana in all its styles (Northern, Southern) and variants (Talamaddale, Aata and Gombeyata) and to disseminate Yakshagana through the print and Electronic media at local, regional, national and international levels.
- To impart education in Yakshagana, in all its aspects like dance, music etc. to the students/interested public with the help of the Yakshagana Gurus.
- To organise performances with stress on academic purposes to propagate Yakshagana among the youth and public and to conduct workshops, lectures demonstrations, experimental performances and interactions with the artists and other schools of related arts like Kathakkali, Therukkutu etc.
- To establish Archives/Museum/Library for study and research on Yakshagana and to organise such activities that will preserve and promote the traditional beauty of Yakshagana so that its distinctive features are identified by the people and continued by them.
- To publish literatures related to Yakshagana and create a comprehensive information base about Yakshagana and to work in collaboration with other institutions, groups and agencies with similar objectives.

Report of the Yakshagana Study Centre: April 2018 – March 2019

The Yakshagana Study centre established in the year 2009 consists of the following components.

- The centre is instituted and functioning in the Yakshagana Kala Mandir, a building with all infrastructure facilities.
- The centre has a big hall and a theatre stage with seating arrangements for seven hundred fifty people.
- The added attraction of the centre is “Yaksha Mangala Museum” and nearly twenty Lifesize models of Northern and Southern Yakshagana style are installed. The museum includes a Photo Corner exhibiting various performance sequences of Yakshagana.
- The Costumes, dress materials and musical instruments used in Yakshagana are exhibited separately.

Preamble

- Kanakadasa occupies a distinct place in the cultural and social history of Karnataka. As a philosopher and social thinker, he has greatly influenced the contemporary history of Karnataka. Although belonging to 16th century Karnataka, Kanaka's literary expressions and cultural concerns have always found new meanings and new orientations in our time. It is in the light of the contemporary relevance of Kanaka, that the Government of Karnataka established the Kanakadasa Adhyayana Peeta and Kanakadasa Research Centre, in Mangalore University.
- For the last several years, both Kanakadasa Adhyayana Peeta and Kanakadasa Research Centre have engaged in multifarious activities in order to spread and popularized the ideas and concerns that Kanakadasa represented. These activities include publication of research papers and books on Kanaka, organization of seminars, Conferences and workshops on issues and themes concerning Kanaka and the Bhakthi movement. The Kanakadasa Adhyayana Peeta as well as the Kanakadasa Research Centre have together organized two major National Seminars, one International Conference and a good number of dissemination lectures in different affiliated colleges of Mangalore University as well as other Universities like Kannur University, Mysore University, Dharwada University, Bangalore University, Kuvempu University, Tumakur University, Davanagere University, Bijapur University and outside the state Universities like Mumbai University, Madras University, Kuppam University and Osmania University. Lectures have also been given at public organizations. Besides this, programmes like 'Kanaka Keerthana' and 'Kanaka Gangothi were also organized, primarily, to facilitate, encourage and popularize Dasa Sahithya among communities of people in and around the University. Teachers, administrative staff, students and others have eagerly participated in large numbers in these programmes.

Objectives:

- To organize literary and cultural activities related to Kanaka and the socio-cultural history of Karnataka and India.
- To organize seminars, workshops and lectures on Kanaka as well as on the themes and issues relevant to Kanaka and his concerns.
- To encourage research on themes and issues related to Kanaka.
- To publish documents and relevant materials on Kanaka and his time.
- To publish edited volumes on Kanaka and the Bhakthi movement.
- To translate the works of Kanaka into English and other Indian languages.
- To develop a specialist library on Kanaka, Kanaka's cultural history and literature, as well as Bhakthi movement in India and elsewhere. We also intend to include in this library, studies and works on philosophy, religion and spiritualism.
- To organize audiovisual programmes on Kanaka and related themes.

- Amount: FD in Union Bank of India, Derlakatte – Rs. 25,00,000/- FD in SBI, Mangalangothri - Rs. 7,50,000/-
- Duration: No Specific Duration; The Peetha is functioning on the interests it gets from the FDs.
- The Kodava Samskritika Adhyayana Peetha has been established as per the Statute framed for this purpose on 27th March 2008. The purpose of the establishment has been to study and research in to the land and people of Kodagu, mainly the Kodava - speaking communities, focusing on the evolution of the history and cultural aspects of their societies. The Kodava Peetha is not only documenting the historical and cultural experiences of the Kodava communities but also assisting research and study of these communities as an Archive and a source of information.
- Current status: Functional

Some of the objectives of the Peetha are:

- To study the history of the Kodava people, and brings out the rich archaeological and literary sources that go to the making of that history.
- To explore and record the varied ethnographical and sociological facets of society in Kodagu.
- To study the religious beliefs and practices, folk traditions and performing arts of the region.
- To survey the monuments, both religious and secular, to create popular awareness for their protection.
- To study Kodava language and literature, both oral and written, to highlight the cultural identity and achievements of the people.
- To study the ecological basis of the Kodava life
- To arrange seminars, workshops, symposia and special lectures on the above themes
- To bring out monographs on the various studies on the subject, including translations
- To create an archive to preserve the documents pertaining to kodava history and culture

- To undertake such other activities as would serve the above general ends

The Peetha has been working for the implementation of these objectives and the work it has undertaken so far, has to some extent resulted in the generation of information and creation of knowledge about the land and people of the province. The tiny province of Kodagu has historically undergone varied experience from the Nayaka's rule to monarchy and though the British Colonial rule to the post-independence period. The Peetha has created a library and an archive, which constitute the social memory of the community. However, want of enough funds and manpower for the Peetha are hampering the effective implementation of its objectives.

34. Library as a hub of modern teaching-learning-research activities:

UNIVERSITY LIBRARY:

Librarian : Dr. M. Purushothama Gowda.

Introduction:

- The University Library came into existence in the year 1980. Its collections and service facilities are fairly widespread. It has grown from mere 40,000 collections to 2,20,426 documents. The exterior and interior environment of the library building is aesthetically attractive and user friendly. The total library building area is planned for 9000 sq. meters and planned to build in three phases. Presently, we have occupied the 6250 sq.mts. It accommodates all the sections of the library. The library accommodates 450 readers at a time. The distinguished feature of the library is open access environment with an excellent natural lighting and ventilation. We have a 63k.w. generator to overcome electricity failures. The library has two Xerox Machines. One Xerox machine to take care of the day to day photocopy needs of the library and another to take care of the library user's needs
- In the library a separate collection of NBHM, USIS, Pavanje Chair photo gallery and Prof. B.A. Vivek Rai 's Publications are displayed in separate corners i.e. at the Entrance hall, Periodicals, Stack, Text and Kannada section. These publications have been useful to Faculty members and Research Scholars in Science, Social Science and Humanities. A collection of reprints and preprints on popular subjects is also being kept in the library. Display panels in both the gangways, provide information on various issues like – Admission information of various Universities,

Appointments, Book Reviews, Do You Know, Faculty Publications, Fellowships, Orientation and Refresher Course details, Today's News etc.

Library Services:

- Library services reflect the postgraduate nature of the campus. All the readers are welcome to use the library services and facilities. New comers to the library are given orientation about the facilities and services of our library. The library staff is always available to help the readers. They orient new Students, Researchers and Faculty members at the commencement of their Academic / Research activity and as per their needs. Professionals in the library also help all users to use library facilities to the best possible extent. There is a wide range of printed and online indexing services available in the library. All key disciplines are covered. In the university's research environment, up-to-date information is essential. Library subscribe to over 305 periodical titles in hard copy, Online Journals/databases 06, Online Bibliographical database 02 and 15,000+ online journals from UGC-INFONET and 45,000+ online journals from J-gate Database.
- This year we have started new services i.e. sending scanned copy of the content pages and cover pages of current journals to all the Faculty members of our University.

Additional Services include:

- | | | | |
|----|--------------------|----|------------------------|
| a. | CD-ROM | b. | DVDs |
| c. | Inter Library Loan | d. | Internet |
| e. | Lending | f. | Multimedia |

Library Automation:

- Till December 2017 Mangalore University Library has using Libsys version 4 Software as Integrated Library Management Software (ILMS). In January 2018 Library has switched over from Libsys to Koha Library software version - 17.11. This software developed by Katipu Communication of New Zealand, in 2000. It is implemented in large number of Academic and Public libraries all over the world. Koha software is user friendly, fully featured, scalable library Integrated management system. Koha software Development is sponsored by world's leading libraries, volunteers and support companies. It covers almost all sections i.e. administration, acquisition, cataloguing, circulation, display, OPAC, reports, tools etc. Koha Web OPAC links have been provided to Library books, e-books and e-journals which are accessible elsewhere in the world.

Computing Services:

- *Information Kiosk has been installed in our library which provides information of all the activities of Mangalore University and it has been made web enabled with the help of Mangalore University Server. We have also installed web enabled TV providing information of all the programmes held on our campus in an online mode.*
- We have one server and eleven terminals in all the sections of the library. We have the infrastructure to retrieve information from readymade databases available in Compact Discs, Multimedia and On-line way.
- Mangalore University Library has one Gbps (1000 Mbps) band width connecting all terminals in our university and library terminals. During this academic year, we have made provisions to Remote Access facility to access our library online resources anywhere in the world to our library users. We also introduce Wi-Fi facility to our library users on the campus.

ETD Lab:

- Mangalore University Library Established Electronic Theses and Dissertations (ETD) Lab for checking plagiarism for all submitting theses and dissertations to Mangalore University. This ETD Lab has one server, one scanner / printer, four computers and five KVA UPS. We have spent Rs.4, 35,122/- for the same. We have procured “Turnitin” Software to check Plagiarism of theses and dissertations submitted to Mangalore University at the cost of Rs. 3.50 Lakhs. 360+ Theses and 200+ Research papers has been checked under plagiarism software. Mangalore University library has digitized and uploaded 1256 Theses and 130 M.Phil Dissertations to Shodhganga Project of INFLIBNET at Ahmedabad. And D space Institutional Repository software.

UGC-INFONET Learning Resource Centre:

- CYBER LAB is having 56 computers. It has helped 7622 users in accessing the required information from all the e-resources available in our library from UGC-Infonet and from other sources.

Introduction

- UGC has been assisting the Universities for setting up of computer Centre since 1990 for research, training and in application of computers in every field/subject. Consequently Mangalore University Computer Centre was established in 1990.
- Computer Centre plays a key role in today's knowledge driven society. It provides comprehensive Information Communication technology (ICT) services to Academic/Administrative departments of the university. Its key services are providing reliable and available ICT infrastructure comprising of computational services and Internet services. Computer Centre maintains reasonably good ICT environment and augments the same from time to time as and when needed. It is also geared up to provide uninterrupted efficient services to the end users.
- Cyber Lab is centralized computational facility comprising of 32 desktop system and related system of application software.
- It is very important to be connected to the Internet in today's 'Information Era', Mangalore University making available internet services through two independent Internet service providers (ISPs). One is through NKN which high speed connection of up to 1 Gbps and the other through 10 Mbps leased line from BSNL. Entire campus is configured as a set of Virtual Local area networks (VLAN). The connectivity within the department is extended through CAT5/.CAT6 UTP cabling, while connectivity across building is established through OFC backbone. Core switch at the Computer Centre provides high speed switching required across the campus network. The switch in the Department/Office/Building is used to provide wired connectivity to class rooms / faculty rooms / Labs etc. The internet access is made available to all users through wired Ethernet outlets and Campus wide Wi-Fi (Wireless) facility.
- Extended Computer Annual Maintenance Service for a period of monthly maintenance basis, on pro-rate basis at the rate of Rs 72, 138/-per month.
- Extended Annual Maintenance Contract for networking items for a period of monthly maintenance basis, on pro-rate basis at the rate of Rs 40, 021/- per month.
- Extended Annual Maintenance Contract for Wi-Fi networking for a period of monthly maintenance basis, on pro-rate basis at the rate of Rs 76, 666/- per month.
- Co-ordinated the procurement of purchase of toner Cartridges for Laser and Inkjet under rate contract purchase. 170 cartridges worth Rs. 10, 95,201/- were purchased for the year under report.
- Maintenance of in-house mail server – mail.mangaloreuniversity.ac.in.

Extended use of Internet services by providing 84 LAN I/O points to the following departments/offices at total cost of Rs. 2, 33, 298/-, under rate contract scheme.

Facilities

- Computational Facilities: Computer Centre houses mail server and web server, to provide ICT services. These servers are connected to clients in cyber lab and other PG Departments/offices/centres. Campus network on OFC interconnects all computers systems in one logical network facilitating services to be utilized from any server on the network. The overall campus network diagram is as shown in Fig.1. Central servers and network services are available round the clock on 24x7 basis.
- Cyber Lab Facility: Cyber lab is the facility made available to all users. It houses 27 desktop systems with internet connectivity. It also has adequate peripherals such as printers, scanners. Cyber lab is operational from 9.00 AM to 7.00 PM on all working days. Cyber lab utilisation for the year under report is shown in Fig 2
- E-mail Facility: Computer Centre hosts in-house mail server with domain mail. mangaloreuniversity.ac.in. Web based mail services are available on independent server with open source mailing solution(SME server)
- Internet facility: Internet communication is the lifeline in todays connected digital world. University provides Internet facility through two services providers viz NKN and BSNL. NKN provides full text access to scholarly journals on a 1 Gbps leased line. BSNL provides additional separate 10 Mbps leased line. Gateway level appliance provides firewall services, anti spam, anti-virus intrusion detection and content filtering services. This ensures secure and safe internet experience to all users. Internet access is available at all departments/offices round the clock on 24X7 basis.

- IP Phone facility: The Computer Centre also houses the IPPBX appliance (Cisco be3000) to provide VoIP services through IP phones.
- Wi-Fi Facility: The solution consists of central controller and access points distributed across the campus. The access points conform to the IEEE standard 802.11 ac, which ensures ideal data transfer speed of 1300Mbps. There are 190 indoor access points deployed to give coverage within the buildings on the campus and 10 outdoor access points to give coverage in open spaces outside the buildings.
- All the access points are controlled by central WLAN controller. This controller controls major functions of access points such as authentication, encryption, quality of service etc. This also acts as management console to configure the access points by the administrator. We have provided a redundant controller to ensure high availability, in the event of failure of main controller.
- Security is the major concern in Wi-Fi usage. We have ensured adequate security – both for connectivity to Wi-Fi network and to the data transferred over the air. The user is allowed to access only through the registered mobile device, where MAC id of the device shall be the identifying feature. Additionally user has to authenticate using the user name and password assigned to him.
- CCTV Surveillance System: Closed-circuit television (CCTV) also known as video surveillance, is the use of video cameras to transmit a signal to a specific place, on a limited set of monitors. CCTV camera systems have one or more cameras which are used to send video, images and audio data to a monitor. Essentially, these camera systems use cameras to transmit the signals to a main hub which then records that data for later viewing or live viewing, if you have full time security personnel on the premises.
- There are totally 147 camera of different types are installed in the Campus, covering most of the area of the University. An expert engineer is available in the campus for maintaining the setup. The total setup is being maintained by AMC Contract which will be renewed every year through government e-procurement procedure.
- The setup has a capacity of storing the footage for the period of recent past 30 days of recording. Which can be viewed or the footage of particular time slot can be copied separately if required. The separate networking setup including the network tower, wireless RF based connectivity has been established for the CCTV and Surveillance System, hence it is not affecting the regular internet of the campus. The main control of the entire setup is hosted in the Computer Centre.

Services

The Computer Centre extends its services in the following areas:

- Software Development and / Implementation
- Technical Consultancy Services for Hardware, Software procurement and deployment
- Computer Training Programs as and when needed

47.Special initiatives on which university proposes to leverage quality of educational services

48.Any other information to showcase the achievements of the university

49.Vice Chancellor's Views

The University has seen a study progress during the year 2018-19 and also opened up many avenues for strengthening the University activities to take the University towards excellence in higher education and research. In the coming years the University has plans to take up initiatives to automate the governance procedures and bring transparency in the administration. The University has also taken up initiatives to promote awareness about environmental protection, rain water harvesting and planting of trees. The University aims to build an eco-friendly campus and has taken some steps towards this by making the campus a plastic free campus and carrying out Swachhata Abhiyan every month as well as planting of trees by the students. To sum up, the University has been working towards providing the best to all its stake holders apart from academics and research activities.
